

## Dear Exhibitors for 2<sup>nd</sup> Oceanoise Asia

June 5-7, 2018, Hakodate Hokkaido, Japan

<http://ubac.jp/OceanoiseAsia.html>

Oceanoise Asia provides exhibition booths for any companies/organizations. One booth (2 m x 2 m) for 100,000 JPY (approximately 900 USD) during whole of the conference period (June 5-7) in the Hakodate Research Center for Fisheries and Oceans.

Potential audience are approximately 100 persons. We expect experts from Asia comes such as from China and Taiwan. In addition, representative from environmental assessment companies and government will come. Note that underwater environmental impact assessment is still immature stage in Asia. We wish to open our eyes to the international community of the ocean noise issues from various sources such as offshore windmill farm, shipping, airgun etc.

The exhibition hall locates at the entrance of the conference room. Desks, chairs and AC power supply (100 V) are available without any additional charge. We can receive parcels for exhibition in advance if necessary.

Do not hesitate ask further questions.
